Scoring

Score Range	Description
9–10 (Excellent)	Outstanding work, exceeds expectations, very clear, well-structured, and accurate.
7–8 (Good)	Strong work with minor weaknesses; clear and mostly well-presented.
5–6 (Satisfactory)	Meets basic requirements; some clarity issues or lack of depth.
3–4 (Weak)	Below expectations; limited effort, many gaps in clarity, depth, or accuracy
1–2 (Poor)	Very weak or minimal effort; unclear, incomplete, or irrelevant.

	Criteria	Weightage (%)	Score (1-10)	Marks Awarded
1.	Introduction & Objectives Demonstrates resourcefulness skills in independently finding and using suitable data, and shows clarity in defining the objectives of the analysis.	1		
2.	Analysis (Plots & Dashboard Construction) Demonstrates decision-making skills in choosing appropriate visualization methods to highlight key insights, with correctness, clarity, and logical steps in developing plots and dashboards using suitable tools.	2.5
